# Index to Volume 5

Title entries are in capitals and lower case, subject entries in lower case. Items appearing in the Briefings, Bookshelf, and Research Reporter sections are indexed under those titles.

admissions scheduling, 308
the aged, health care needs, 36
Altman, Isidore (book review), 153
Alvarez Balbas, Jose M., 25
American Institute of Architects (AIA), conference (Briefings), 285
American Institute of Industrial Engineers (AIIE), Hospital and Health Services Division, conference (Briefings), 60
Analysis of Qualitative Data: Linear Functions, 358
analytic techniques, 132, 320, 358
Andersen, Ronald (book review), 378
Assessing the Health Care Needs of the Aged, 36

Bashshur, Rashid L., 106
Berg, Robert L., 36

BOOKSHELF:
*Allied Health Manpower: Trends and Prospects* by Greenfield (reviewed by Isidore Altman), 153
*Annual Administrative Reviews*, 70
*Bibliography of Operational Research in Hospitals and the Health Services* by Denison, Wild, and Martin, 69
*Empirical Studies in Health Economics: Proceedings of the Second Conference on the Economics of Health* by Klarman and Jaszi (eds.) (reviewed by P. Joseph Phillip), 380
*General and Annotated Bibliography* by Cynthia Weaver, 70
*Health Facility Combinations and Mergers: An Annotated Bibliography* by Starkweather and Taylor, 69
*Hospital Description, Wycombe General Hospital* by Gainsborough and Lingard (reviewed by David Shoesmith), 293
*Hospitals and Patients* by Rosengren and Lefton (reviewed by Ronald Andersen), 378
*Medical Care Appraisal* by Avedis Donabedian (reviewed by Bernard Slosberg), 66
*Methodology in Evaluating the Quality of Medical Care: An Annotated Selected Bibliography, 1955–1968* by Altman, Anderson, and Barker, 68
*Planning of Surgical Centers* by Ervin Pütsep (reviewed by Paul Pierson), 294
*Poverty and Health: A Sociological Analysis* by Kosa, Antonovsky, and Zola (eds.) (reviewed by Clyde R. Pope), 155

BRIEFINGS:
AIA Conference on Health Facilities Research, 285
  Building Technology, 288
  Health Facilities in Urban Planning, 285
  Health Facilities Laboratory, 290
  Systems Analysis in the Planning of Health Facilities, 287
American Institute of Architects (AIA), conference, 285
American Institute of Industrial Engineers (AIIE) Hospital and Health Services Division, conference, 60
"Architecture for Health" Exhibition, 290
Government R&D for Future Hospitals, 64
Operations Research in Health Services, 148
  Planning and Evaluation, 149
  Simulation Models, 151
Operations Research Society of America (ORSA), annual meeting, 148
Systems Research in Delivery of Health Services, 60
Urban Hospital Symposium, 62

Browning, Francis E., 36
